

2020-2021 Tree Sale Order Form

This year SRWA is offering both potted plants (as usual) and live stakes. Live stakes are a great way to get vegetation growing on streambanks. They are both cheaper and easier to install than container plants. You can collect them yourself, but buying is a good option if you don't have time to collect your own or want specific varieties. Check our website (www.soque.org) to find links to more info on live stakes.

Orders are due by ~~Dec. 31st, 2020~~ Extended to Jan. 8th, 2021. Pickup is Jan. 14th, 2021, from 3-6 PM at the Maudlin House in Clarkesville. Other arrangements may be possible on a case by case basis.
